# Studied Individuals:

Write a short summary of 4 different people we have studied using the “Someone Wanted But So Then” format.

| Studied Individuals | Summary |
|---------------------|---------|
|                     |         |
|                     |         |
|                     |         |
|                     |         |

# The Inspiration:

Individual to Interview/Research: \_\_\_\_\_

| Question | Response |
|----------|----------|
|          |          |
|          |          |
|          |          |
|          |          |
|          |          |
|          |          |
|          |          |

# The Events:

Find 10 important life-changing events that affected your individual's life. Be sure to not only identify the event, but EXPLAIN why it was important or life-changing.

| Event | Response |
|-------|----------|
| 1     |          |
| 2     |          |
| 3     |          |
| 4     |          |
| 5     |          |
| 6     |          |
| 7     |          |
| 8     |          |
| 9     |          |
| 10    |          |

# The Overview:

Write a short summary using the “Someone Wanted But So Then” format to explain the short biography of your selected individual’s life.

|                  |  |
|------------------|--|
| <h2>Summary</h2> |  |
|                  |  |
|                  |  |
|                  |  |
|                  |  |
|                  |  |
|                  |  |
|                  |  |
|                  |  |
|                  |  |

## Qualities of Determination:

| Synonyms of Determination | Antonyms of Determination |
|---------------------------|---------------------------|
|                           |                           |
|                           |                           |
|                           |                           |
|                           |                           |

# The Comparison:

Compare your individual to someone we have studied in this unit. Compare and contrast the two individuals and write a comparative statement using the information.

|  | Similarities |  |
|--|--------------|--|
|  |              |  |
|  |              |  |
|  |              |  |
|  |              |  |
|  |              |  |
|  |              |  |

## Comparative Statement:
